

## REMARKS

After entry of the present Amendment, claims 1-10 and 25 remain in the application with claim 1 in independent form.

Original claims 1-18 and 25 stood subject to a restriction requirement. More specifically, the Examiner restricted the application to one of the following inventions:

- Group I        claims 1-10 and 25, drawn to an apparatus.
- Group II       claims 11-17, drawn to a method.
- Group III      claim 18, drawn to a product.

In response to this restriction, the Applicant elects Group I, thereby retaining claims 1-10 and 25. Claims 11-18 have been cancelled without traverse of the Restriction Requirement.

The appropriate fee for a one-month extension of time is included herewith. The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to our Deposit Account No. 08-2789.

Respectfully submitted,
